Service Above Self

Brunilda Castro

"In my 30 years of service, I learned to appreciate my second family, my co-workers and leadership. It is an experience that I Will never forget. I miss you all, especially my division - the very extraordinary, exceptional, Business Office. Thanks Department of Education. Best Wishes."

Esther Izaak

"My journey at the Department of Education started in a classroom at Ivanna Eudora Kean High School. I Moved on to be Director of the School Food Authority, and finally as the Territorial Training Monitor. To my friends, adopted children and grandchildren my advice is to use each new day as an opportunity to grow and develop in every area of your life. As you make this your focus, encourage someone else to come along with you."

Thank You for Your Service!
